PVF Industrial Line Card

PIPE | VALVES | FITTINGS | SPECIALTY & ENGINEERED PRODUCTS

CARBON | STAINLESS | CHROME | ALLOYS | PLASTICS

VALVES

Ball
Butterfly
Check
Diaphragm
Gate
Globe
Knife Gate
Needle
Control
Cryogenic
Thermoplastic
Plug
Safety
Steam Jacketed

Actuation options available.

FITTINGS & FLANGES

Forged

3M, 6M, 9M
1/8" - 4"

Buttweld

All Schedules
1/2" - 48"

Other

Swagelok
Grinnell / Gruvlok
Copper L, K, M & ACR
Copper Press
Sanitary

Flanges

Pressure classes 150 - 2500
(and higher)
Weld Neck, Slip on, Blind, Threaded, Socket Weld, Lap Joint, Ring, Long Neck, Orifice, Plate & Sil-Braze.

Plastics

PVC, CPVC and PP-R

Metric fittings and flanges as well a custom configurations are available.

PIPING

Nickel Alloys, Carbon Steel
A106 & A53 , A333, API 5L, X-Grade,
Chrome -Moly (A335), Stainless (A312)
All Grades

DSAW
Plastics - *PVC, CPVC, HDPE*
PP-R - *Polypropylene-Random*
Tubing- *seamless & welded*

Additional Services: Grooving, Sandblasting, Priming, Galvanizing, Lining, Fusion Bond Epoxy, Polishing and other Coatings.

All PVF products are available in a wide range of alloys:
Stainless, Carbon (high and low temp), Copper Nickel 90/10 & 70/30, Brass/Bronze,
Chrome-moly, Alloy 20, Hastelloy, Incoloy, Aluminum 6061-T6 & 6063-T6
Monel, Nickel, Nickel-Copper, Copper-Nickel, Tantalum, Titanium, Zirconium and more.

CONSUMABLES, HARDWARE AND SAFETY EQUIPMENT

Wire brushes and Wheels
Cutting Tools
Teflon Tape
Primers, Glue and Solvents
Thread Sealants
Propane and MAPP gas

Studs, Nuts and Bolts—
In all grades and coatings

Gaskets– Spiral wound
Gaskets– Non asbestos
Gaskets– Elastomer
Gaskets– Teflon

Due to our wide selection we are only listing a small sampling of the products we offer.
Please contact a member of our sales team if you do not see what you are looking for.

Polypropylene Pipe and Fittings

aquatherm
we've got a pipe for that

- For use in pressurized mechanical systems of all sizes.
- Reliable, competitively priced, and environmentally friendly.
- Polypropylene-random (PP-R) piping systems can be used for virtually any building application.
- Heat-fusion saves time and money.
- 10-year multimillion-dollar warranty. *(Aquatherm Only)*
- Installation training and support available. Please call for more information.

Fusion Tools Sales and Rentals

WIDOS
Welding. Together.

Extensive fleet of fusion tools to complete Polypropylene installations:

- Bench Shop Welding Tools
- Fitting Fabrication Tools
- Hydraulic Field Welding Tools
- Saws
- Socket Welding Tools
- Quality Machines available for rental and purchase. Please call today for more information.

Expansion Joints and Industrial Dampers

Metal and Fabric-

Senior Operations LLC PATHWAY
Performance under Pressure

Senior Flexonic Pathway Metroflex Dampers: Recognized industry experts in metal and non-metallic expansion joints, industrial dampers and diverters. They excel in pipe motion technology enabling them to engineer expansion joints to meet any specialized need. *We are the Manufacturer's Representative for New England.*

Rubber and Elastomer-

PROCO
PROCO PRODUCTS, INC.

Proco Products, Inc.: The leader in rubber and molded PTFE expansion joints. Proco has specially designed their expansion joints to protect your equipment against a variety of stressors while also being low maintenance and durable. *We are the Manufacturer's Representative for New England.*

Metal Braided Hoses and Flex Connectors-

Many standard sizes are available for immediate delivery with flanged or threaded ends. Custom assemblies can be made from a wide variety of materials to suit almost any application. Other available options include smooth bore PTFE, high pressure end connections, jacketing, tracing, lining and exterior guard.
